

Your students are talented. They just need a bridge to industry.

60%+ of graduates are underemployed — not from lack of talent, but lack of real-world exposure. Here's what a 4-partner collaboration achieved in 90 days.

THE FOUR PARTNERS — WHO THEY ARE & WHAT THEY DID

**Facilitator**

SUMS Nepal

- Designed the program structure
- Coordinated all stakeholders
- Managed quality & mentorship
- Ensured learning outcomes

**Platform**

WHAT STUDENTS SAID

**Preeti Thakur***App development lead • Texas College*

"I led the Yathartha Khabar app — coordinating cross-functional teams and meeting every deadline despite limited coding knowledge."

**Aarya Bhattarai***Media & social • Texas College*

"This internship helped me understand how a media company actually works — in ways classroom learning never did."

**Mohammad Guphran Rain***Team lead, app promotion • Texas College*

"I collaborated closely with the CEO and led review meetings every 2–3 days. My leadership skills grew more than I expected."

WHAT MENTORS & INDUSTRY SAID

**Er. Kshitiz Dahal***CEO, Saransa Media Labs*

"Students made a contribution organizing events, promoting our app, and supporting development. Their initiative was commendable."

**Mr. Sambod Timilsina***Coordinator, Texas Business Incubation Center*

"Within the 90-day timeframe we successfully completed the project. I thank everyone for their support and insights."
